EXPERIENCE

UN ECOSOC Youth Forum Delegate — Gooddler Foundation Global Youth Leader

- Selected to speak at the UN ECOSOC Youth Forum, presenting to 100+ global delegates and government representatives on AI literacy in advancing SDG-driven innovation and education reform.

NYC DOE — Youth Advisor on AI Integration *Apr 2026–Present*

- Working directly with the NYC DOE's Chief Academic Officer and senior district leadership to shape systemwide strategy for responsible AI use in schools.
- Contributing student-driven insights that directly inform the official AI handbook and guide policy decisions impacting all NYC public school students.

Student Researcher — AI & Leadership Study | Binghamton University (SUNY) / Gooddler Foundation | *Summer 2026–Present*

- Contributing to a two-site qualitative research study supervised by Dr. Surinder Kahai (Associate Professor, School of Management, Binghamton University–SUNY) exploring how high school seniors make sense of AI and its implications for their future careers.
- Responsibilities include tracking and analyzing public statements by corporate leaders on AI and work, building an organized evidence base of examples, and documenting the local AI messaging landscape in NYC

Research Intern — AI & Education | Stanford University Graduate School of Education | *Summer 2026–Present*

- Working with Dr. Victor R. Lee (Khosla Family Professor, Faculty Lead for AI & Education at the Stanford Accelerator for Learning) on research at the intersection of AI literacy, K–12 data science education, and teacher readiness.
- Contributing a student perspective to ongoing work designing learning environments that help students and educators engage responsibly with AI.

AI Literacy Study — Researcher *Feb–May 2026*

- Led outreach and survey collection for Swiss researcher Dr. Anastassia Lauterbach's AI literacy project, gathering responses from ~100 students and community members.
- Recognized in the resulting publication, to be presented to the House of Lords, November 2026.

Volta NYC — Senior Analyst, Marketing & Strategy — Intern *Jan 2026–Present*

- Assisting with early-stage marketing and strategy projects; gaining experience in research, analysis, and team collaboration as part of a student-led consulting program.

Sophomore Caucus — Events Department — Member *Sep 2025–Present*

- Planned and organized school-wide events by coordinating logistics, communicating with outside organizations, and supporting execution of large-scale activities.

Math + SHSAT Prep — Academic Tutor & Babysitter *2023–Present*

- Providing weekly academic support and childcare to multiple children; individualized math instruction for a student with learning challenges, building confidence and improving test scores.

Varsity Gymnastics — Team Member *Sep 2024–Present*

- Committed to daily 2.5-hour after-school practices; contributed to the team's NYC PSAL City Championship-winning season.

EDUCATION

Stuyvesant High School, NYC *Class of 2028*

GPA: ~98 (2024–2025), ~96 (2025–2026)

Relevant Coursework: AP European History, Honors Algebra II, Spanish, Latin, Drafting & 3D Modeling

ACTIVITIES

Spanish Language Immersion Program- *Spain*

Completed study-abroad program with daily Spanish lessons and cultural immersion.

Mercer Consulting Meetings | *2025*

Participated in multiple sessions with Mercer employees, working on real-world business strategy cases.

Independent Research Project | *2024*

Worked under mentorship of a former senior national security director to analyze career preparations and job market expectations; produced a research report.
